Hi Rob,

I'll let you know if we have any comments on the agenda, but we will be meeting in Room 2028. The room does not have a screen set up, so I will reserve a projector and laptop for your use (if you want to use it).

As for HQs participation, Steve Ells plans to call in and Marc Greenberg may as well. Could you please send the presentations so they can follow along?

Thanks,
Stephanie

Stephanie & Jennifer:

Attached is the proposed agenda for Wednesday's CSM Meeting. Please review and let me know if you have any questions or comments.

CPG attendees will include:

Gary Fisher - Alcatel Lucent

Bill Potter - de maximis

Betsy Ruffle - AECOM

Marcia Greenblatt - Integral

Jim Quadrini - AQEA

John Toll - Windward

Peter Israellson -AQEA

Rob Law - de maximis

The CPG has asked if Marc Greenberg or other HQ representatives will be participating in the meeting.

We will need a projector or large screen display. Also let me know if we should bring a laptop or can you provide one.

I am working on an agenda for the transition meeting which I will forward later today.

Finally, what room is the meeting being held?

Thanks,

R/

Rob
